Word definitions - wordscapes level 1727

CALM - Peaceful, quiet, especially free from anger and anxiety.

MAIL - To send (a letter or parcel) through the mail.

CLAM - A bivalve mollusk of many kinds, especially those that are edible; as, the long clam (*Mya arenaria*), the quahog or round clam (*Venus mercenaria*), the sea clam or herring clam (*Spisula solidissima*), and other species of the United States. The name is said to have been given originally to the *Tridacna gigas*, a huge East Indian bivalve.

MICA - Any of a group of hydrous aluminosilicate minerals characterized by highly perfect cleavage, so that they readily separate into very thin leaves, more or less elastic.

CLAIM - A demand of ownership made for something (eg. claim ownership, claim victory)

CLIMAX - The point of greatest intensity or force in an ascending series; a culmination.
