# Word definitions - wordscapes level 3490

ATOM - The smallest, indivisible constituent part or unit of something.

BOAT - A craft used for transportation of goods, fishing, racing, recreational cruising, or military use on or in the water, propelled by oars or outboard motor or inboard motor or by wind.

TOMB - A small building (or "vault") for the remains of the dead, with walls, a roof, and (if it is to be used for more than one corpse) a door. It may be partly or wholly in the ground (except for its entrance) in a cemetery, or it may be inside a church proper or in its crypt. Single tombs may be permanently sealed; those for families (or other groups) have doors for access whenever needed.

MOAN - A low, mournful cry of pain, sorrow or pleasure.

MOAT - A deep, wide defensive ditch, normally filled with water, surrounding a fortified habitation.

BATON - A staff or truncheon, used for various purposes; as, the baton of a field marshal.

BOATMAN - A man in charge of a small boat.
