Word definitions - wordscapes level 4253

SET - To put (something) down, to rest.

SUE - To follow.

SUM - A quantity obtained by addition or aggregation.

USE - The act of using.

MUST - To do with certainty; indicates that the speaker is certain that the subject will have executed the predicate.

STEM - The above-ground stalk (technically axis) of a vascular plant, and certain anatomically similar, below-ground organs such as rhizomes, bulbs, tubers, and corms.

MUSE - A source of inspiration.

TUSK - One of a pair of elongated pointed teeth that extend outside the mouth of an animal such as walrus, elephant or wild boar.

MUSK - A greasy secretion with a powerful odour, produced in a glandular sac of the male musk deer and used in the manufacture of perfumes.

SMUT - Soot.

MUSKET - A species of firearm formerly carried by the infantry of an army. It was originally fired by means of a match, or matchlock, for which several mechanical appliances (including the flintlock, and finally the percussion lock) were successively substituted. This arm has been superseded by the rifle.
